"Come and see Liberty Humane Society's mobile vet clinic, and all the adorable kittens and dogs up for adoption from Liberty Humane Society"

All dogs must be on a leash or in a carrier and accompanied by an adult. The law requires all dogs to be licensed. If your dog is not licensed you can conveniently do this at our event. For further information on what you will need to bring that day in order to obtain a 2010 Jersey City Dog License please call 201 547-4888.

All dog licensing must be paid by check or money order only. Liberty Humane Society will accept cash, money order, visa or mastercard for the nail clipping and micro chipping and other services and products.
