Mayor Healy: Schools Remain Closed

JERSEYCITY – Mayor Jerramiah T. Healy and officials from the Office of Emergency management announced today that all schools will remain closed Monday November 5, 2012.

Healy, expanding his state of emergency executive order, said that due to the lack of power in neighborhoods and schools, the decision to close schools was the most sensible option.

“We can’t send our students into schools that have no electricity and heat, Healy said. “This status is very fluid. As electricity is restored throughout the city we will update everyone as to the restoration of regular school scheduling the return of full services.” ///
