This meeting will be conducted by electronic means in accordance with the “Senator Byron M. Baer Open Public Meetings Act,” of 2020, which explicitly permits a public body to conduct a meeting electronically during a state of emergency. Governor Murphy issued Executive Orders 103 and 107 declaring a “Public Health Emergency and State of Emergency” and directing residents to quarantine and practice social distancing.

ADVISORIES

In an effort to adhere to social distancing protocols and best practices imposed by City and State authorities, the City of Jersey City has canceled all public meetings and closed nonessential services as of March 16, 2020 until further notice. As a result, this Historic Preservation Commission hearing will be held virtually as a video conference with public access.

No new matter involving an applicant will be started after 11PM. At 10PM the Board Chair will make a determination and advise applicants whether they will be heard. If an applicant cannot be heard because of the lateness of the hour, the matter will be carried over to the next regularly scheduled meeting. The Board Chair may change the order in which the agenda items are called.
