Pedestrian Enhancement Plan

Join us for a

# COMMUNITY MEETING!

Come learn about the development of the JC Walks Pedestrian Enhancement Plan and draft recommendations for making Jersey City streets safer and more appealing for walking.

The City of Jersey City, in collaboration with the North Jersey Transportation Planning Authority, will detail the findings of a year-long effort to study and recommend improvements to six corridors. The Walkability Workshops held in the fall were part of this initiative.

	<b>Thursday, April 19, 2018</b>
	<b>6:30 – 8 pm</b>
	City Hall Council Chambers 280 Grove Street Jersey City, NJ 07302

The meeting venue is easily accessible via nearby bus and rail stops at the Grove Street PATH Station. A Citibike Station is located directly in front of the venue in City Hall Park. Intérpretes estarán disponibles. अनुवादक उपलब्ध होंगे.
